The title of Telework 2010, the 15th ITA Workshop is: "Telework for
sustainable development". It is an international academic event that for
15 years now has been attended by top international leaders in the
area.

The Argentine partners are honored to host, for the first time, this
important international academic event.

Organized by USUARIA through its ICT Committee (the [Comisión TIC](#)),
the event is sponsored by the IDRC – The International Development
Research Center from Canada, and by the local Scientific and
